

Child Raising Support Center (Fiscal 2009)

Data provided by Shiga Pref. Edit: Shiga Intercultural Association for Globalization

We provide not only various information, lectures and events on child-raising but parent counseling support. Please feel free to drop at any child raising support center in your vicinity.

●Counseling on child-care problems and support for parents●

A public health nurse and a nursery teacher provide counseling on child-care at any child raising support center. Consultation over the phone or the fax is also available. Please feel free to contact us.

●Support for child raising groups●

We provide an opportunity for groups on child-raising to get together and interact.

●Lectures on child-raising●

We offer various aspects of child raising lectures such as baby food, picture book, first aid, etc.

●Transmission of information on child-raising●

We issue our bulletin containing information on lectures, events, group's profile, etc. and also provide information on nursery service like temporary nursing.

●Others●

Child-raising programs for fathers, maternity class, home visit, child-care training program for volunteers, etc. are held at each support center.

[Inquires]

Service hour and the contents of lecture on child-raising differ from one support center to another. Ask for details at any support center your vicinity.
