## Family Support Centre

Family Support Centre is a membership organisation where members wanting to give child/nursing cares can help the members in need of them. (Some centres below can also provide aftercare services for children.)

<Examples of childcare supports>

- Taking children to/from nursery schools, caring for children before/after the hours
- Caring for children after school, after *Gakudo-hoiku* child care programmes or during the summer holidays
- Caring for children when parents/guardians are ill or on urgent business
- Caring for children in case of ceremonial occasions, school events, or going shopping
